

# Search and Give

*Please use Search and Give instead of Google to donate money for our school.*

## **How do I donate?**

You generate donations by using Search and Give to search the Web. When you are signed in, you will earn one penny for each search (up to 500 per month), which is then donated to your selected charity or school. If you are not signed in, your searches will not generate a donation. TIP: To remain signed in to Search and Give, just check the "save my password" box on the Windows Live ID sign in screen.

Microsoft will make an annual donation to the charity or school you have selected based on the total number of searches you and others have completed.

You have another opportunity to generate donations through playing games on the Live Search Club site. You must be signed in to earn tickets, which can then be donated. After you have earned tickets by playing games, you may go to the Live Search Club prizes page and make a lump sum donation to your charity or school.

## **How much money goes to each organization?**

Live Search will donate one penny per search. Every penny makes a difference and the cumulative amount donated from all users adds up quickly. Here's an example:

### ***12 months-100 searches per month***

You	-	\$12
10 friends	-	\$120
100 friends	-	\$1,200

There is no limit to how much an organization can receive from a community of people donating to that cause. However, if your chosen organization has earned less than \$10 in twelve months across all contributors, those funds will be re-allocated to the American Red Cross.

**As of today - St. Charles earns \$29.10 from the 6 people that already signed up.**

## **How much of my donation goes to my selected organization?**

100% of your donations are passed directly on to your selected charity or school. Search and Give is a unique program in that we do not take any deduction for overhead, so your organization will receive all of the Search and Give funds generated from your web searches.

## **How do I get started?**

**In order to donate to St. Charles through this site, you must have a Windows Live ID account and a "Nickname". Follow these simple steps to get started:**

Type [www.searchandgive.com](http://www.searchandgive.com)

1. Select the Sign In button on the home page. Select sign up now and follow the steps accordingly.
2. Create a "Nickname" for your account – your nickname is a screen name that will be displayed to yourself and others whenever you are signed in to the site.
3. Under Browser Settings, check the box to set the Search and Give page as your home page.
4. Read the Terms and Conditions and select "I Accept" if you agree to the terms and conditions.
5. Click the Finish button to complete your account set up.

Note: Some browsers require you to follow manual process to set Search and Give as your homepage.

***If you already have a Windows Live ID but have forgotten your password, go to the Windows Live ID sign in screen at: <http://login.live.com> and click on the "Forgot your password?" link.***
